

10 Foam Products & Powders

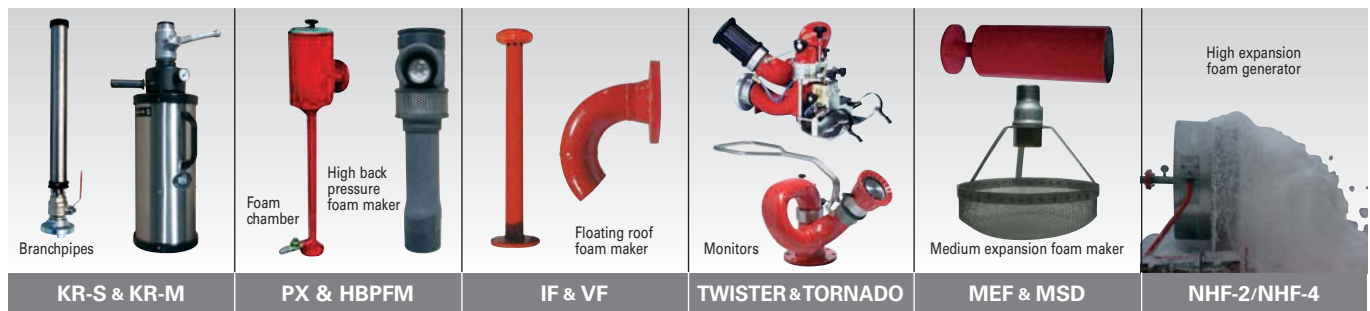

Foam Agents & Proportioners

- Wide range foam concentrates; synthetic (AFFF), proteine, alcohol resistant
- High expansion and Silv-ex foam concentrate
- Bladder tanks; horizontal, vertical

- Balanced pressure foam proportioners
- Inductors
- In-line balance proportioners

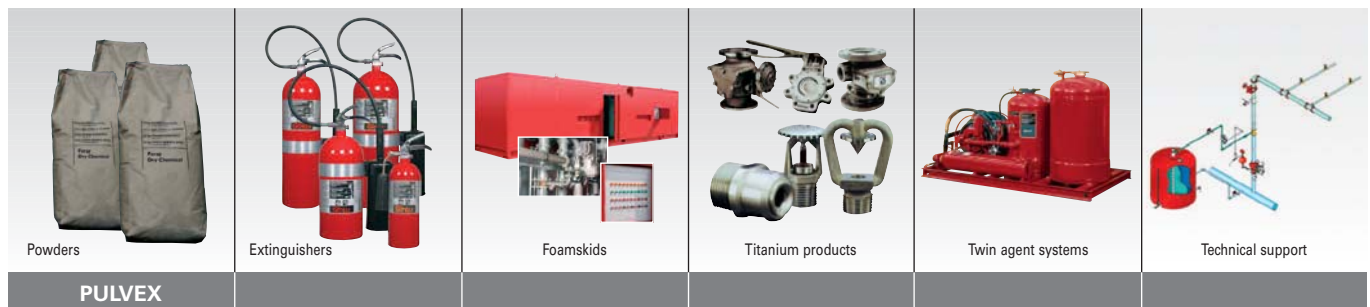

Discharge Devices

- Monitors and nozzles
- Foam chambers and pourers
- Medium expansion foam makers

- High expansion foam generators
- Several fixed and portable discharge devices

Powders, Extinguishers and Foam Skids

- Powders A,B,C fires or metal fires
- Extinguishers; water, CO2, dry chemical
- Complete assembled foam skids

- Titanium products for corrosion resistance and low weight
- Technical Support in engineering
